From its beginnings as a land purchase from a mining company in early 1902 to the present day, this club has renewed and reinvented itself, reflecting the commitment, tenacity and resourcefulness of its members.

Today, as in years past, the club's focus is on the joy and challenge of the game of golf – for the family, for the individual, and for the lifetime athlete.

Pine Grove Country Club has over 400 golf and social members. It offers a full range of member services, as well as banquet, business, and catering services.
